## **PROJECT AT A GLANCE:** THE P.E.A.C.E (PEER EDUCATION AND CONNECTION THROUGH **EMPOWERMENT) PROJECT**

## **PROJECT GOAL:**

To develop and implement group-based activities that focus on improving resiliency and promoting healthy outcomes for human trafficking (sexually exploited) and domestic violence survivors.

## **PROJECT OBJECTIVES:**

- Develop and implement a "lived experience" peer mentor program as a way to empower, support and facilitate learning among survivors of sexual exploitation
- Create trauma-informed groups to improve mastery, resilience, support, and encourage the development of health promotion focused activities
- Identify the physical, psychological and social barriers that prevent attainment of health and well-being
- Promote and engage human trafficked, sexually exploited and domestic violence girls and gender identified as female person(s) between the ages of 16-24 years of age
