Welcome

PHAC Update

Project Implementation

Let's share our experiences on the realization of our projects—from proposals to current realities to future goals—and use this opportunity for peer-to-peer sharing.

[small group discussions]

Discussion Highlights

Is there a key takeaway, from your small group discussion, that you are willing to share with the broader Community of Practice?

To date, what is your main 'lesson learned' from your project's experience and/or realization?
