Welcome & Introductions

New members

Greetings from PHAC

Check in

Sharing & Building on Input

Reaffirm our work and interactions need to be trauma- and violence-informed, with a need to establish a framework for the Community of Practice.

1. Transparency of Knowledge Statement
2. Equity, Diversity, & Inclusion Statement
3. Communication Guidelines
4. Conflict Resolution Guidelines
5. A Process for Decision-Making

Discussing A Way Forward

What process do we agree on for developing these pieces of the framework?

1. Adapt existing statements/guidelines
2. Create new statements/guidelines
3. Other option(s) to define

Discussing A Way Forward

< BREAKOUT ROOMS >

Red = cannot move forward;
disagree with option

Amber = cautiously move forward;
can tolerate option

Green = desire to move forward;
preferred option

A Process for Decision-Making

What overall theme(s) emerged from discussions about best practices for **decision-making processes** within our Community of Practice?

How consistent are these beliefs across the different guidelines requested?

<Community of Practice Chart>

Knowledge Hub Updates
